05/16 FORWARD PLAN OF STRATEGIC DECISIONS OF THE JOINT GMCA AND AGMA EXECUTIVE BOARD AND AGMA EXECUTIVE BOARD

Consideration was given to a report of Julie Connor, Head of the Greater Manchester Integrated Support Team, which set out the Forward Plan of those strategic decisions to be considered over the next four months.

RESOLVED/-

To note the Forward Plan of Strategic Decisions as set out in the report.
Councillor Peter Smith introduced a report summarising the emerging work to develop a Greater Manchester commissioning approach for social care that is aligned to the delivery of the Greater Manchester Strategic Plan and Locality Plan and the outcomes of the Spending Review and the impact that these outcomes will have on the development of the financial framework required to underpin that commissioning approach.

Members were made aware of the increased hardship for those tenants who will be impacted by the proposal to cap housing benefit for social housing tenants at the Local Housing Allowance Rate, especially the elderly, albeit that Government have deferred the introduction of the cap for a period of twelve months. Support was requested from the GMCA to lobby Government to change their position, as outlined in the Autumn Statement, in regards to the allocation of local housing allowances for social housing tenants.

**RESOLVED/-**

1. To note that Greater Manchester Local Authorities support the 2% council tax increase.

2. To agree that the question of whether there should be a common approach to a four year financial settlement, including the production of an Efficiency Plan, be deferred until more information becomes available.

3. To agree to the development of a Commissioning Strategy for approval by all 10 local authorities via the joint Commissioning Board no later than 31 March 2016.

4. To agree that the GMCA Section 151 Officer be requested to consult GM Treasurers on the development of proposals for resourcing a "smoothing mechanism" for social care funding should this be required by local authorities for 2017/18.

5. To agree that Government be lobbied to reconsider and change their position to remove the proposed restrictions on those in most need to be eligible for local housing allowance.

4. To approve the utilisation of the Transforming Challenge Award (TCA) for the establishment of GM-Connect as detailed in paragraph 2.9 of the report, noting that the spend will be across 2015/16 and 2016/17. The TCA spend in

10. To approve that in consultation with the LEP Board, and assuming that the grant is received as anticipated, approve the allocation of £400,000 of grant as detailed in paragraph 5.18 of the report, which proposes £250,000 towards costs associated with the devolution agreement relating primarily to research, intelligence and policy development and £150,000 to support the Land and Property Programme.

11. To approve the charges to the Greater Manchester Local Authorities in support of the AGMA functions for 2016/17 of £6.263 million as set out in Appendix 3 to this report, noting that this excludes items billed directly from lead Local Authorities.

12. To approve the charges on the GM District Councils in support of the GMCA functions (non transport) in 2016/17 of £9.820 million as set out in Appendix 4 to this report.

11/16 GREATER MANCHESTER FIRE AND RESCUE BUDGET 2016/17 & MEDIUM TERM FINANCIAL STRATEGY

Councillor David Acton presented a report providing an updated budget paper outlining information on Greater Manchester Fire and Rescue Authority’s current budget position. There is also a high level forward forecast for the three subsequent years using the indicative four year financial forecasting which sets out the scale of the future financial
challenge. The report also highlights some of the key service delivery changes that will be needed to meet the financial challenge and which will be the subject of a 12 week public consultation process from February 2016.

A Member expressed some concerns regarding the motion currently under consideration by Greater Manchester Local Authorities and the financial and other assumptions drawn upon to underpin the motion.

Members acknowledged the budget challenges facing the Fire Authority and also across all of the emergency and public services. However there was some concern expressed regarding the proposals of the Fire Authority to increase the precept with a further analysis of the Authority’s budget, use of reserves and potential efficiencies to be gained from public sector reform.

RESOLVED/-

2. To note the proposed precept increase of 2% for 2016/17.

3. To note the proposal of the Authority to increase at £4.99 for Band D rates if any approval is provided from DCLG as part of the Final Local Government Finance Settlement. In noting this proposal the Combined Authority is not necessarily minded to support it without a further analysis of the Authority’s budget position.

4. To note the public consultation process which will commence this year.
