57 ROCHDALE ACADEMY SEN SCHOOL

The Committee scrutinised a report of the Director of Children's Services which advised that in 2019 Rochdale had been awarded one of the new central government Special Educational Needs (SEN) schools. As part of this process the Department for Education (DfE), required the Children's Services to abide by cost stipulations with regards to delivery of the new school.

To continue further with delivery of the school the DfE required approval from Rochdale Council for expenditure related to the costs and the approval for provision of an associated 'Section 151' letter to formalise the payment agreement. This meant that the only alternative to the new SEN school funded by the DfE, would be a Council funded new school or increased expenditure on 'out of borough' provision.

The Committee was informed that this report had been presented to the Cabinet at its meeting on 26th January 2021, where the recommendations contained therein, were approved. The recommendations had been presented as to continue further with delivery of the school the DfE required approval the Council for expenditure related to the costs and the approval for provision of an associated 'Section 151' letter to formalise the payment agreement.

Resolved:
That the report be noted.
