23 MINUTES

Resolved:

That the Minutes of the meeting of Pennines Township Delegated and Funding Sub-Committee, held on 11th March 2020, be approved and signed as a correct record.

24 PENNINES TOWNSHIP FUNDS 2020/21

The Sub-Committee considered a report of the Director of Neighbourhoods which provided an update on the revenue and capital expenditure, commitments and balances of the Pennines Township Funds 2019/20, which would enable the Sub-Committee to consider the allocation of funds to proposed projects. Alternatives considered: In considering the report, Members considered whether or not to approve the allocation of funds to projects as appropriate.

In considering the submitted report, clarification was sought on capital funding that had been carried over and subsequently returned to central budgets with a request that the full amount be returned to the Township Fund. Members of the Committee were advised that the procedure that had been agreed was that should the Township require the carried over capital funding for particular projects, then it could be utilised for this purpose. Assurance was also sought that in future years that budgets would automatically be carried forward.

Resolved:

1. That the expenditure, commitments and balances for Pennines Township revenue and capital funds as detailed in Appendices 1 and 2 of the submitted report, be noted;

2. That decisions made under delegated authority as detailed in Appendix 3 of the submitted report, be noted;

3. That it be noted that the Townships and Communities Manager has assessed proposed projects that were to be considered for funding against the criteria of eligibility for the Pennines Township Fund, the priorities of the Township and that any specific risks were identified in the submitted report;

4. That the applications for Township Funds 2019/20 be dealt with as outlined in the table below;

5. That the Townships and Communities Manager, in consultation with the Chair and Vice Chair of the Sub-Committee, be given delegated authority to make decisions on any deferred projects.

Reasons for the decision:

The recommendations in the report were presented as management of the Pennines Township Fund is a function that is delegated to the Pennines Township Delegated and Funding Sub Committee. Pennines Township Funds are allocated to projects that benefit the Township's community and environment, and realise the Township's priorities and which will enable the Sub-Committee to monitor and review the use of the Pennines Township Fund to ensure the continued efficient and effective use of the funds.
