10 ROCHDALE NORTH TOWNSHIP FUNDS 2020/21

The Sub-Committee considered a report of the Director of Neighbourhoods which updated Members on the revenue and capital expenditure commitments and balances of Rochdale North Township Fund 2020/2021, to enable the Sub-Committee to allocate funds to proposed projects.

The Sub-Committee were asked to note the expenditure, commitments and balances of Rochdale North Township Funds 2020/2021, as detailed in Appendices 1 and 2 of the submitted report, the decisions made under delegated authority, as detailed at Appendix 3 to the submitted report, and to consider and approve, defer or refuse the allocation of funds to proposed projects detailed in Appendix 4 of the submitted report. Members of the Rochdale North Township Delegated Sub-Committee were requested to note that the Townships and Communities Manager had assessed all of the proposed projects that were considered for funding against the criteria of

eligibility for Rochdale North Township Funds and any specific risks were identified within the report.

Members expressed concerns about the fees included in the project brief costs for certain applications for funding that were being considered at this, and previous, meetings of the Sub-Committee. Head of Environmental Services and Head of Highways Service to be requested to submit a report, to a future meeting of Rochdale North Township Committee clarifying and explaining the various project fees.

Unadopted highways were discussed when considering the application TC/16/20 Path off Tintern Avenue construction and the Council's responsibility for maintenance of unadopted highways with no available/limited budgets. Members were advised Highways are preparing a report that will provide information and guidance to assist with decision making at Township committees.

Alternatives considered - in considering the report, Members were asked to decide whether or not to approve the allocation of funds to projects/schemes as appropriate.
