

## APPENDIX 4 PENNINES TOWNSHIP RECEPTION CLASS PLACE DEMAND to September 2020 (projected demand including housing)

Pennines Township has seen a bulge in demand for this September (2017) with extra places being created at Littleborough Community Primary. The forecast is for demand for places to stay above the birth rate and the extra housing build plans for the area will increase this. However currently places in the north of the Pennines are sufficient, with places also being above forecasted demand in the South of the area.
