

Action Plan	Due Date	Status
-------------	----------	--------

<b>PH18001 Provide a resilient and robust health protection system</b>	<b>31 March 2019</b>	
--	----------------------	---

Objectives: Risks to population health and reputational risk to the council are reduced.

*The outbreak plan has been finalised and is now in operation. The local screening uptake group has continued to meet and is working closely with the Greater Manchester Screening and Immunisation team. The annual flu programme is now in place and a multiagency flu group will continue to meet monthly throughout the flu season.*

07/01/19

■ PH18001.A	Finalise a new outbreak plan and test against examples	31 July 2018	
■ PH18001.B	Cancer screening uptake plan in place	30 June 2018	
■ PH18001.C	Annual Flu programme developed and implemented	31 March 2019	
■ PH18001.D	Community infection Control programme agreed and implemented	31 March 2019	

<b>PH18002 Develop and implement the Integrated Prevention System Model</b>	<b>31 March 2019</b>	
---	----------------------	---

Objectives: Increased community resilience and individual wellbeing, reduced access to A&E / GP's

*The Integrated Prevention system 'Connecting You' has been launched with all staff recruited. Communication materials have been produced and circulated and workshops held, to provide core team members and wider stakeholders with information and clear access routes. The Community Connectors have collated a robust data set which is now informing processes and the evaluation framework for the system as a whole. The new community builder posts that have been recruited through transformation funding are starting to have a real impact in neighbourhoods alongside facilitating the distribution of the Connecting You: Seed Fund. A work plan is being implemented up to March 2019 when the forward plan for 2019/20 will be agreed.*

<b>PH18003 Lead the programme management and delivery of the prevention and access theme of the Rochdale Locality Plan</b>	<b>31 March 2019</b>	
--	----------------------	---

Objectives: delivery of prevention and access theme on track and milestones met

*All transformation projects in the Prevention and Access theme are now implemented and delivering. Outcome measures are being developed to assess the impact of the projects. The Prevention and Access Partnership Board is in place and overseeing the delivery of both GM and local transformation work. Work is underway to try and utilise business intelligence to enable better targeting of our preventative services.*

**PH18004 Support and enable the development of a strong and resilient Voluntary Sector**
**31 January 2019**
**■**

Objectives: increase social value, social capital, reduce isolation and loneliness and increase access to employment

*Develop a Borough wide Volunteering Strategy and action plan to increase the resilience of the voluntary sector – the development of this strategy is being progressed with the new Voluntary Sector Development Manager. A Voluntary Sector Workshop looking at volunteers and opportunities across the sector took place mid-September and this will inform the approach. Timescales have been reviewed and the Volunteering Strategy will be developed alongside the commencement of the new Voluntary Sector Infrastructure.*

21/12/18

*The procurement process for the voluntary and community sector infrastructure is completed. The successful applicant is Action together and we are not working together on the implementation plan for the new service. The contract commenced 1<sup>st</sup> January 2019 and we expect service delivery to commence in March 2019.*

**PH18007 Develop and implement a 3 year multi-agency Tobacco control Action Plan aligned to the GM tobacco Strategy and action plan**
**31 March 2019**

Objectives: Reduce smoking prevalence to 13% (from 19.4%) and smoking in pregnancy to 6% (from 16.6%) by 2021, reduce sales of illicit tobacco, reduce crime relating to illicit sales.

*A 'Making Smoking History in Rochdale' partnership summit was held on the 2nd October, with a wide range of stakeholders attending. Priorities around tobacco for the next 2 years were agreed and these will now be consolidated into a Framework for Action. The lead for the adult smoking transformation project is now in post and is developing the implementation plan to establish a Pennine Acute Trust wide approach to tobacco addiction, including pathways of support for patients within the Trust to support them to 'stop before the op'. The framework for action will be finalised.*

--	---------------	---

Objectives: To lead the GM Suicide Prevention Partnership and Plan....To lead the development of GM Population Health Plan outcomes assurance framework, standards and excellence in GM programme....To lead Arts, Culture and Health Programme.

*The Rochdale Work and Health Steering Group met during September, with key partners coming together to provide system leadership and governance for the joint programme of work relating to health and employment within Rochdale. A key priority in the group is to strengthen the contribution that Rochdale employers make to good quality work & healthy workplaces, including the public sector leading by example. Public Health, together with leads from across the council, have come together to progress RBC in becoming a gold standard workplace wellbeing employer. A report was submitted to Leadership in June to seek endorsement to run a short Workforce Wellbeing Survey. The survey has now been completed and a Workforce Wellbeing stakeholder event is being planned for February 2019 to help inform a refreshed Workforce Wellbeing strategy for the organisation.*

*The GM Suicide Prevention Plan was developed and publicised widely on Suicide Prevention Day in September across Greater Manchester The work on population health outcomes dashboard has resulted in a draft dashboard for all areas across GM and also a suite of draft standards for areas such as tobacco and sexual health for use locally and across GM*
