SECTION 4 – ABOUT THE PROJECT AND JUSTIFICATION

Details of the proposed project and what benefits will this project bring for participants, organisation, group or wider community?

Real Change Rochdale aims to raise funds from business and the public to support people in their local area experiencing homelessness. It uses funds generated to pay for items which directly help people to get off the streets or avoid homelessness: things like a deposit for a home, a training course, or clothes for a job interview.

The Real Change model is straightforward in its approach:

1. Local Action Group established to oversee campaign
2. Public fundraising campaign within Borough of Rochdale
3. Applications for support made via partners including Bondbaord, Angies Angels, RBH, Brentwood day Centre, Whag, Riverside, RBH, stepping stones and others.
4. Grants under £100 provided immediately. Over £100 approved by independent panel. Independent panel members consist of persons with lived experience of homelessness and professionals.
5. Money distributed via local partner agency who will immediate offer support to Rough sleepers move off the streets, or avoid ending up there. Processing applications to the fund **quickly, effectively and transparently is integral** to the success and trustworthiness of the Project.

We are hoping to procure funding to help the partnership employ a fundraiser for the Real Change. So far we have only 3 registered Real Change Champions, these are; Rochdale Sixth form college, Brownhill School and Kirkult Community Church. The Champions have done some excellent work fundraising, we feel with more Champions on Board we can raise enough money to help meet the needs of those experiencing homelessness in the Borough of Rochdale .

We are looking to employ a fundraiser for 4hours per week for a period of 6 months. This person will be tasked with visiting Schools, faith based groups and local businesses in Rochdale primarily to raise awareness of the Project. We expect, as a direct result of this investment into the Real Change, we will achieve an additional 7 Project Champions. With a total of 10 Real Change Champions on board, each Champion independently fundraising for the Real change Rochdale, we believe we will have created a steady flow of funds that will sustain this Project for many years to come.
