#### **4.0 Next Steps**

- Rochdale's master plan is being developed to support the delivery of the Locality Plan, it will include;
  - the development of a strategic commissioning function (SCF) and the LCO
  - sustainable delivery
  - the provision of supporting enabling functions
- The master plan will provide a governance road map for the delivery of the Locality Plan's key priorities
- Produce a simplified public version of the Locality Plan in partnership with Action Together.
