HEYWOOD TOWNSHIP FUNDS 2020/21 - PROPOSED PROJECT FOR DECISION

Heywood Township Projects Fund 2020/21 - Proposed project for decision					
Ref	Name of Project	Ward	Fund Criteria & Priorities Met	Request Originator	Cost
HP/06/20	Heywood Civic/The Phoenix Centre Landscaping	Heywood Township	Yes Place	Councillor Beswick	£13,500
<b>Project Description</b>	Landscaping outside Heywood Civic/The Phoenix Centre consisting of the replacement of overgrown trees and shrubs with new planting in beds of Lavender, Potentilla and a variety of white flowering herbaceous plants (Aquilegia in Spring, roses in Summer and Echieacea in Autumn) and installation of lattice on the Civic building wall to support the growth of Evergreen Honeysuckle. Two Silver Birch trees, six Cherry trees (Spring flowers) plus three Sorbus trees to be planted in the area between the Heywood Civic and the car park to provide a more attractive and open treescape. The shrub bed at this location to be underplanted with a carpet of native British Primrose, White Aquilegia, Hart's Tongue Fern and Lily of the Valley. The pedestrian area between Heywood Civic and The Phoenix Centre to be enhanced with the replacement of existing shrubs with a double staggered row of Lavender with standard white roses. The soft landscaping design will complement the planned Heywood Civic Quarter improvements consisting of bespoke commemorative benches, planters, litter bins and lectern interpretation board. (Project brief at Appendix 5A)				
<b>Risk implication</b>	Estimate may change as contractors will be invited to tender for the proposed works.
