<b>PH1909.D</b>	<b>Review Health Inequalities policy guidance to identify short to medium term goals</b>	<b>31 December 2019</b>	
<p>Work was progressing and a report was going to be produced based on relevant literature and our local JSNA. The impact of COVID-19 on jobs, access to services and material inequality made the work so far less relevant moving forward. It is however crucial to have “quick” responses to inequality issues going forward. We will need to scope out and produce new work on this in Quarter 1 of 2020 financial year.</p>			
<b>PH1909.E</b>	<b>Review outcomes on falls</b>	<b>30 November 2019</b>	
<p>Falls work is largely about preventing hospital admissions and long term health consequences in the elderly. Going forward it will remain important but may need to be part of a package around prevention and protection i.e. taking into consideration Covid-19. The work is delayed due to COVID-19 and will become a part of Covid-19 recovery plans.</p>
