## **28 LAND TO THE EAST OF HEYWOOD OLD ROAD, MIDDLETON**

Prior to the consideration of this planning application, the Planning Solicitor addressed the Committee with regard to correspondence received on the day of this meeting, from an objector. The correspondence amplified concerns that the objector had about the consultation which the Council's Planning Service had undertaken in respect of this application and therefore requested that the Committee further defer consideration of the application. The objector had also indicated they would be making a formal complaint. The Planning Solicitor advised that there were insufficient grounds to warrant a further deferment.

The Planning Solicitor also noted that at Minute 26, above, Councillors Massey and Burke had declared personal interests in this planning application. He requested that, in the interests of openness and transparency, the two Members reiterate their earlier intention to declare a personal interest in this matter and that they would both be able to consider the application with an open mind. In this regard Councillors Massey and Burke both reiterated their earlier declaration of interest and their intention to consider this planning application with an open mind.

The Head of Planning presented submitted planning application 20/00912/OUT, an outline planning application for new secondary school development and associated parking, sports provision and landscaping (with details of access provided, and all other matters reserved), on land to the east of Heywood Old Road, Middleton.

The Senior Planning Officer updated the Committee with regard to drainage and ecological issues and also on the reason for the proposed imposition of Condition 28, if the Committee would be minded to approve the application. The Senior Planning Officer verbally updated the Committee regarding the proposed imposition of a further matter which would secure the sports facilities, detailed in the report, for community use by way of a condition. If approved this would be delegated to the Head of Planning to determine in consultation with the Council's Legal Services.

The Committee received representations from Ms. J. Jones and Mr. C. O'Neill who addressed Members on behalf of the objectors to the application.

The Committee received representations from Dr F. Davies (Rochdale Borough Council's School Place Planning Manager) and Ms. A. Hargreaves (Department for Education), on behalf of the applicant, who both spoke in support of the application.
