PH2008.C	Lead the development of the local response for Test, Track and Trace	31 March 2021		50%
<p>The three fixed LTS sites are running efficiently and have capacity required across Rochdale for PCR testing for those with symptoms. Lateral flow testing (LTF)/rapid antigen testing is being offered to all workforces that can't work from home and have no symptoms. This will be delivered through asymptomatic testing sites (ATS) based in Rochdale, Heywood, Middleton and Littleborough. In addition roving testing units (RTU) will support testing in schools, areas of high prevalence and large work places who have seen a high number of cases throughout the pandemic. Seventy Military personnel will help support the setup of sites and initial testing until we can phase them out and replace with our own workforce. Recruitment is underway with over 150 applicants for coordinator and testing assistant roles.</p>
