

## **HEALTH, SCHOOLS AND CARE OVERVIEW AND SCRUTINY COMMITTEE**

### **Work Programme 2021/2022**

The purpose of the Health, Schools and Care Overview and Scrutiny Committee is:-

To be the responsible Committee for the Council's health scrutiny function (with the exception of any referrals to the Secretary of State arising from statutory consultations being referred to Council for determination); for scrutiny of Health and Wellbeing (including scrutiny of the Health and Wellbeing Board, particularly with reference to joint commissioning proposals arising between the Council and the CCG with regard to health and social care arrangements); and for scrutiny of partnerships or key contractors: (eg Inspired Spaces), Child and Adult Social Care Services; Early Help and Schools Services; the Borough's two Safeguarding Boards and for the overview of the respective Portfolio Holders and Directors.

- a. To respond to consultation by Cabinet and the Health and Wellbeing Board on relevant policy development proposals.
- b. To scrutinise the in-year performance of relevant Council Services, partnership bodies and other appropriate bodies, in accordance with the Council's Performance Management Framework and against approved Service Plans, where appropriate.
- c. To instigate the appropriate action in response to adverse service performance.
- d. To scrutinise inspection reports and associated action plans produced by external agencies (where appropriate to this Committee).
- e. To review and scrutinise executive decisions where appropriate to this Committee in accordance with the Council's Constitution, which have been called-in by Members of the Council.
- f. To receive reports, where appropriate, from the Council's representatives on outside bodies, and to direct representatives to report to the Council, where appropriate.
- g. To scrutinise Safeguarding arrangements, including consideration of Safeguarding Boards' Annual Reports
- h. To commission, scope and oversee studies and reviews relating to relevant Council Services and issues directly affecting the Borough and, where appropriate, to make recommendations to the Cabinet arising from such studies and reviews.
- i. To consider Directorate Plans in line with Council Policy.
- j. To be the Council body identified to receive issues and reports from Health Watch
- k. To consider, as relevant, reports from the Care Quality Commission as part of the wider health scrutiny considerations.
- l. To receive minutes of the joint health scrutiny bodies.
